

# IPPF STRATEGY 2028

Roundtable Series

# Strategy 2028 Roundtable Series Concept

- Stimulate new thinking
- Listen to stakeholders
- Encourage MA leadership – setting the discussion
- Tools provided – technical and interpretation

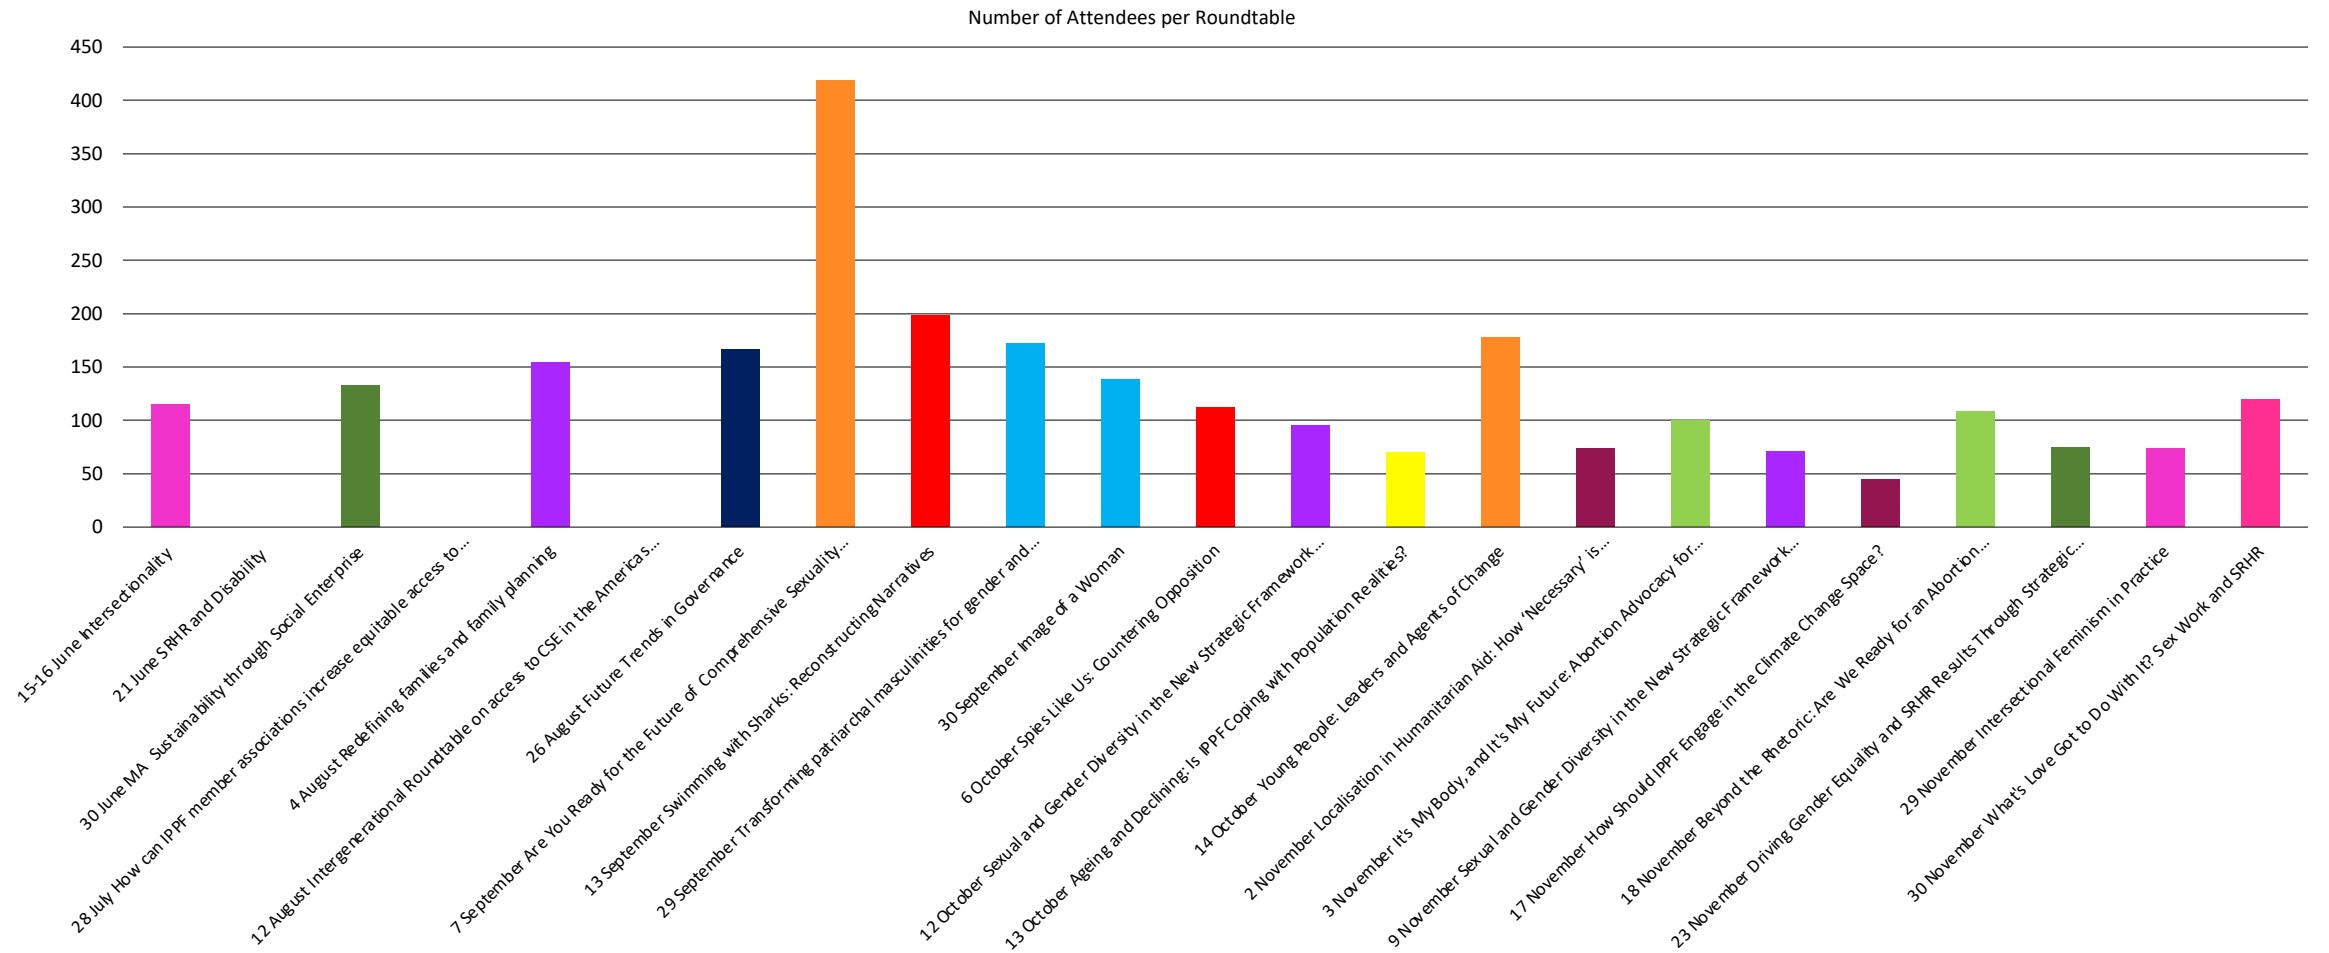

# Key Data

- From 15 June to 30 November 2021 **23 roundtables took place**
- **36 hours of MA-led discussion and debate**
- **Over 140 passionate, engaging and experienced speakers**
- **Over 1,500 MA and Secretariat staff members and volunteers joined us** across the series, with **an average of over 130 attendees per roundtable**
- Attendees joined from dawn to dusk and across all time zones, from **131 countries**

# Themes

- **Challenge power and injustice, Be intersectional, Anchor in what people want, Be inclusive**
- **Youth - Do we tokenise young people?**
- CSE
- Winning Narratives and Countering Opposition
- **Abortion – No MAs proposed an abortion roundtable**
- Funding Risk and Donor Accountability, Financial Sustainability

# Attendee Engagement

# Priority Populations

LGBTQI+ people

Young people

People of marginalised racial and ethnic identity

People living with disabilities

People in humanitarian contexts

Sex workers

Ageing populations

# Priority Services

CSE

Abortion

Contraception

Humanitarian healthcare

# Advocacy Priorities

Collaboration with allied movements – climate movement, LGBTQI+ movement, sex work movement

Winning narratives

Countering opposition

# Tools to Prioritise

Data and evidence

Digital

Learning and discussion  
spaces – MA-to-MA,  
community, sector-wide

# Institutional and Structural Priorities

Redress power – leadership from MAs, youth, Global South, and served communities.

Gender equality and gender transformation

Financial sustainability

Funding risk and donor accountability

# Limitations

- Purely qualitative and somewhat subjective
- Resource rich MAs hosted roundtables
- MAs with existing bonds strengthened them
- Tower of Babel – language limitations
- Engaging debate  $\neq$  day-to-day priorities

A useful indication of perceived role of IPPF and the world of SRHR and where we are going
